GENERAL SECONDARY SERVICE

(Rate "GS")

Availability:

Open to any customer desiring secondary voltage service. This rate is also available for service to any customer where the Department elects to provide one transformation from the available primary distribution voltage to another primary voltage desired by the customer. This rate is not available for auxiliary standby, resale service, or for street lighting service.

Nature of Service:

Alternating current, 60 hertz, single phase or three phase, the particular nature of the voltage in each case to be determined by the Department.

When the service is three phase, 3-wire, lighting may be included provided the customer furnishes all transformation facilities required for such purpose and so arranges the lighting circuits as to avoid excessive unbalance of the three phase load. When the service is single phase, or 4-wire, three phase, the single phase individual motor capacity shall not exceed 3 hp, nor the total single phase motor capacity 10 hp, without the specific consent of the Department.

Where the Department elects to measure the service on the primary side of the transformers, 3% will be deducted for billing purposes from the energy measurements thus made.

Monthly Rate:

Customer Charge: \$10.25 per meter per month, plus

Energy Charge: 10.35¢ per kWh for all kWh

Fuel-Power Cost Adjustment:

This rate is subject to the Department's Fuel-Power Cost Adjustment.

Minimum Charge:

The customer charge included in the rate except where special minimum charges are required by Department's policy.
