

## MyMeter Dashboard Online Customer Portal Now Available

We're excited to invite you to check out the new MyMeter Dashboard! Utility customers can now access a customized online portal that can help track and compare energy and water usage over time. The easy-to-use online portal utilizes the technology built into the recently installed advanced metering system.

The MyMeter Dashboard is a great tool to learn more about your usage patterns and how what you do can drive an increase in your usage. When you know more you can do more.

To learn more and to sign up visit <https://www.tclp.org/Page/MyMeter>.

### In This Issue

MyMeter Dashboard  
EV Charging Network  
Fiber Back-to-School  
C&I Rebates  
EWR Report

### As a MyMeter Dashboard user, you can:

#### Data & alerts from wherever

Alerts and meter data are accessible across many different devices and our mobile alert system keeps you up-to-date even when you are on the road.

#### Track & compare your usage

Track your usage against weather conditions and see how you compare to your own usage from previous time periods.

#### Customizable markers

Track important events and monitor associated energy changes with handy markers. Using markers helps the system know how and when to provide important alerts.

#### Energy challenge

Set an energy savings goal and track progress over time.

## Electric Vehicle Charging Network

TCL&P has added its own electric vehicle charging network throughout downtown Traverse City. The network consists of 12 dual port Level 2 stations and 3 DC fast charging stations located in public lots and at the Traverse Area District Library.

The project was partially funded through grant money from EGLE (State of Michigan) with charging stations operational at the following locations:

- Clinch Park
- Hall Street (lot next to the fish weir)
- Chamber of Commerce
- Post Office (off State Street along river)
- Washington Street Plaza (lot between the alley and Washington Street)
- Traverse Area District Library

### TCL&P Mission

To provide the Public Power benefits of safety, lower rates, high reliability, local control, and exceptional customer service to the City, its residents and all TCL&P customers.

# Don't Forget to Add Gigaspeed Internet to your Back-to-School Checklist

TCLPfiber has a great solution to expand your Wi-Fi coverage. Current customers can now get a great price on an ultra-fast, home Wi-Fi extender.

TCLPfiber makes it easy and affordable. Call us today at 231.922.4940.

## Commercial and Industrial Rebates Available!

Want to impress the boss? Help save money at work by switching out to more energy efficient equipment and products. From lighting to air compressors to HVAC equipment, TCL&P has an extensive catalog of rebates available for your business.

Call us today to ask about our 2021 C&I Rebate program and/or 0% interest loans available for energy efficient upgrades!

## 2020 Annual Customer Summary

### Energy Waste Reduction (EWR) Report MPSC Case Number U-18317

TCL&P's efforts to comply with 2008 PA 295, as amended by 2016 PA 342 again proved successful this year. The Michigan Municipal Electric Association (MMEA) filed a biennial 2-year EWR Plan with the Michigan Public Service Commission (MPSC) on August 1, 2019 and filed a joint 2019 EWR Annual Report for TCL&P with the MPSC on May 31, 2020.

In 2020, TCL&P spent \$255,802 on EWR Programs and achieved 3,174 MWh of energy savings.

### Renewable Energy Report MPSC Case Number U-16635

TCL&P filed the 2020 Renewable Energy Annual Report with the MPSC on June 30, 2021.

TCL&P acquired from renewable energy systems during the reporting period 48,975 MWh of renewable energy. TCL&P acquired 49,012 Renewable Energy Credits (RECs) and 3,025 incentive-Renewable Energy Credits (iRECs) for the 2020 reporting period.

The table below shows the Incremental Cost of Compliance with state law for 2020 and the anticipated Cost of Compliance for 2021.

Renewable Energy Source	2020 Incremental Cost of Compliance	2021 Anticipated Cost of Compliance
Landfill Gas Project(s) - Granger & NANR Wind Project(s) - Stoney Corners, M-72 & Pegasus Solar Projects - M-72 Solar, M-72 Solar II & Assembly 1 Solar	\$0.00	\$0.00
