

TRAVERSE CITY LIGHT & POWER CLEAN ENERGY FAIR

Friday, October 9, 2026 5:00–8:00 p.m.
130 Hall Street, Traverse City

Explore Clean Energy in Action!

Connect with clean-energy organizations and explore practical solutions for your home, business and community.

- Electric vehicles and charging
- Renewable energy technologies
- Energy efficiency and home improvements
- Financing and available resources
- Local clean-energy programs and vendors
- Guided tours of the Hall Street solar canopy and battery storage system, led by KEEN

Come ask questions, explore new technology and discover ways to create a cleaner energy future.
